SHOWCASING BÖSENDORFER LOUDSPEAKERS

Most concert goes know BÖSENDORFER grand pianos which have been made in Vienna since 1828. In collaboration with renowned Austrian acoustician Hans Deutsch, BÖSENDORFER now produces a range of revolutionary loudspeakers with soundboards like a piano.

BÖSENDORFER invites audiences to compare the fidelity of the loudspeakers to the original live sound. The similarity is stunning.

For more information see BÖSENDORFER website www.boesendorfer.com
